Permit Modification Summary

April 2008

Currently Iberia Parish operates their existing Type III facility Monday thru Friday from 7 00 a m thru 3 00 p m In an effort to increase convenience and accessibility of the landfill to parishioners, the Parish is proposing to extend the hours of operation to include Saturdays from 9 00 a m to 2 00 p m as part of the typical operations

Page 38 of the original permit has been revised to indicate this modification request The original text has been struck through and the newly inserted text has been underlined No other changes/modifications to the permit have been made

The environmental benefit of this modification will be increased availability for disposal of waste Increasing the availability of the landfill will result in a decrease in unlawful/improper waste disposal across Iberia Parish There will be no change to the current operational procedures at the site

This modification does not alter the original permit information provided in LAC

PARISH OF IBERIA

ON THIS 10th day of September 2002 before the undersigned Notary or Notaries Public, and in the presence of the undersigned witnesses personally came and appeared

LILLIAN DUGAS VIATOR, resident of Iberia Parish Louisiana having as her permanent mailing address 5617 Freetown Road New Iberia, LA 70560 hereinafter referred to as 'LESSOR

and

IBERIA PARISH GOVERNMENT (hereinafter referred to as PARISH) a political subdivision of the State of Louisiana herein represented by its President Will Langlais duly authorized by resolution a copy of which is annexed hereto having a permanent mailing address of 500 Iberia Street Suite 400 New Iberia LA 70560 4587

who declared that

LESSOR does hereby lease to PARISH property described hereafter under the following terms and conditions

I PROPERTY LEASED.

LESSOR does hereby lease to the PARISH property depicted on a Plat of Survey prepared by Freyou Moore and Associates Inc dated June 13 2002 titled Iberia Parish Government Type III Landfill No II consisting of 8.15 acres located in Section 1 T12S R5E Iberia Parish, Louisiana. Said site is located immediately to the north of the City of New Iberia Construction/Demolition Debris Landfill and the Iberia Parish Government Type III Landfill and having access from Freetown Road via an access road running in a southerly direction across property belonging to Dophie P Viator thence in an easterly direction across property belonging to Davis Viator and Dophie P Viator all as is more fully shown on the attached Plat of Survey dated June 13 2002 by Freyou Moore and Associates Inc The property to be leased is shown in two parcels to identify Tract A (2.30 acres) as that portion to be leased immediately and Tract B (5.85 acres) as that portion to be leased when the current sugar cane crop has completed

TERM

This lease is for a maximum term of twelve (12) years or the life of the landfill whichever is shorter plus the post closure monitoring period said term commencing on the date this agreement is signed and ending at the termination of the post closure monitoring period

3 RENT

The PARISH shall pay as rent the sum of ONE THOUSAND (\$1000) DOLLARS per acre per year The first payment shall become due and payable within ten (10) days of the recordation of this agreement and on each annual anniversary date thereafter and the rent will be based on the area of Tract A as long as a sugar cane crop exists on Tract B and then on the area of Tracts A and B as soon as the final sugar cane harvest is completed

4 TERMS AND CONDITIONS

- a) This lease is contingent upon the site being suitable for its intended purpose and upon the PARISH S receipt of a permit to operate from the Louisiana Department of Environmental Quality
- b) The property leased herein is for the purpose of constructing a Type III landfill that will receive construction/demolition debris wood waste and yard waste The PARISH shall operate the landfill in accordance with all local state and federal regulations governing such operations
- c) LESSOR and PARISH agree that no waste shall be deposited in this landfill other than waste generated by the Iberia Parish Government City of New Iberia, and the residents of Iberia Parish It is agreed that the PARISH and/or the generators of the waste/debris placed in the landfill will be responsible for the waste/debris in perpetuity
- d) The PARISH shall maintain and upkeep the access road leading from Freetown Road to the landfill site The access road shall remain available to LESSOR for use in his farm operation
- e) The PARISH shall be responsible for all costs incurred in the preparation construction operation and maintenance of the landfill site and access road and will hold LESSOR harmless and indemnified against any liens or other financial requisites with regard to the landfill

- f) The PARISH shall remove and dispose from the landfill site any excess soil resulting from the construction and excavation of the landfill
- g) The PARISH agrees that any debris deposited in the landfill will be kept at an elevation not to exceed three feet (3) below existing natural ground
- h) The PARISH shall erect and maintain a fence around the entire landfill with locked gates at the entrance of the landfill and the entrance to the access road on Freetown Road Entrance to the landfill will be strictly limited to employees of the PARISH
- i) At the time that this landfill is accepted for closure by LA DEQ the PARISH shall construct a standard four strand barbed wire fence around both Iberia Parish Government s Type III Landfills and the City of New Iberia s Type III Landfill
- j) The buffer zone requirement for this type landfill as stipulated in Title VII of the Environmental Regulatory Code (LAC 33 VII 719 B 2) is hereby waived in all areas where the landfill is adjacent to and abuts property owned by LESSOR
- k) In the event that regulations imposed on the operations of a Type III landfill become so burdensome that the use of the landfill is no longer cost effective or for any other feasible cause the PARISH may at its option terminate and cancel this contract by giving a thirty (30) day written notice to LESSOR, by certified mail return receipt requested In that event the PARISH shall completely cover all open pits or excavations with fill dirt to the natural ground level with the approval by LA DEQ

5 INSURANCE.

The PARISH will maintain liability insurance on the property herein leased including the access road and to the extent possible will name LILLIAN DUGAS VIATOR as named insured and agree to hold LILLIAN DUGAS VIATOR harmless and indemnified against any loss injury or damage occurring in, on or about the leased premises as a result of the PARISH s operation of the Type III landfill on the property herein leased including the access road

6 NOTICES.

All notices required to be given under the terms of this lease shall be in writing and by registered or certified mail addressed to LESSOR or LESSEE at the addresses fixed herein Mailing shall constitute full compliance with the requirement of notice whether or not the addressee receives the notice

7 MODIFICATIONS

This lease may not be modified except by an instrument in writing, signed by the parties hereto their heirs legal representatives successors and assigns

8 EFFECT

This lease binds each of the parties and their respective heirs successors and assigns All of the terms of this lease apply to any persons claiming by or through either party

Telephone Number (337)-365-8246

to discharge wastewater and stormwater from a construction/demolition debris and woodwaste landfill. Please read the entire permit very carefully to ensure that you thoroughly understand the conditions of the permit. Any future correspondence on this permit should reference the above listed AI number, as well as your permit number

By the authority of edict LA R.S. 30:2001, *et seq.*, and the Environmental Regulatory Code, Part IX, Water Quality Regulations, this Office hereby cancels LA0098540 and WP5085.

Your facility will be assessed an Annual Maintenance and Surveillance Fee in the amount of \$500.00. This Office will invoice annually for this fee based upon the state's fiscal year (July 1 through June 30). Invoices for permits issued from July 1 to December 31 will initially be sent in January, after which the permittee will be invoiced every July. Invoices for permits issued from January 1 to June 30 will be sent every July.

In accordance with Part I, Section C, monitoring results shall be reported on a Discharge Monitoring Report (DMR) per the schedule specified. A copy of the form to be used is attached. Copies of DMRs and all other correspondence should be sent to the Enforcement Division of the Office of Environmental Compliance and the LDEQ Acadiana Regional Office at the addresses indicated in Part I of this permit. Attached is Appendix A, which lists each discharge number, description and location of the discharge point (outfall), and the final effluent limitations and monitoring requirements.

PART VII SOLID WASTE

§521 Part II Supplementary Information, All Processing and Disposal Facilities

G Facility Administrative Procedures. Standards governing facility administrative procedures are contained in LAC 33 VII 711 C (Type I and II landfills), LAC 33 VII 713 C (Type I and II surface impoundments), LAC 33 VII 715 C (Type I and II landfarms), LAC 33 VII 717 F (Type I-A and II-A facilities), LAC 33 VII 721 B (Type III construction and demolition debris and woodwaste landfills), LAC 33 VII 723 B (Type III composting facilities), and LAC 33 VII 725 B (Type III separation facilities)

1 The following information on administrative procedures is required for all facilities

a. recordkeeping system, types of records to be kept, and the use of records by management to control operations,

The gatekeeper shall inspect all incoming waste to verify that it is generated in Iberia Parish and is suitable for a Type III landfill and shall record the following information date, time, type of material, source of waste, volume of waste, applicable conversion factor from cubic yards to tons, delivery vehicle identification, delivery vehicle owner, delivery vehicle driver and the transporter's solid waste identification number issued by LA DEQ, Solid Waste Division.

All records specified in the application as necessary for the effective management of the facility and for preparing the required reports will be kept at the on-site office and shall be used to prepare the Annual Report All records will be kept for the life of the landfill including the three year monitoring period after closure The annual report shall identify the quantity and types of unauthorized solid waste transported for disposal All quantities will be expressed in wet-weight tons per year

Records kept on site shall include, but not be limited to

- copies of the current Louisiana solid waste rules and regulations,
- the permit,
- the permit application, and
- permit modifications

The annual reports shall cover time periods from July 1 through the following June 30 and shall terminate upon the closure of the facility in accordance with the permit. Annual reports will be submitted as required by LAC 33 VII B 1 a 1 by August 1 of each reporting year.

b. an estimate of the minimum personnel, listed by general job classification, required to operate the facility,

This landfill shall have the number and levels of certified operators employed at the facility as required by the LA Administrative Code 46, Part XXIII, LAC 33 VII 721.2 and the Department's regulations. The minimum personnel required to operate this facility shall consist of one clerk (part-time), one certified landfill operator/inspector/gate keeper/equipment operator and several inmates for general labor. Due to the volume of debris coming into the landfill, one operator is sufficient. If the volume increases the personnel will be increased. The Iberia Parish Government has two certified operators on staff. The landfill will maintain personnel sufficient to achieve the operational requirements of the facility. Operator certificates shall be prominently displayed at the facility. The Board of Certification and Training for Solid Waste Disposal System Operators and the Office of Environmental Services, Permits Division shall be notified within 30 days of any changes in the employment status of certified operators.

c. maximum days of operation per week and per facility operating day (maximum hours of operation within a 24-hour period)
